

MBSEF 2018 ALPINE SUMMER SKI CAMPS **at Mount Hood**

We are offering two different ski camps at Mount Hood this summer. The Mt. Hood camps are designed for U-14's and older. If there are any U-12 athletes that want to go, they need to be approved by the Alpine Director, Nils Eriksson.

Both our camps are joint productions with SSRA (from Spokane). Both clubs will stay together at Mazama Lodge, as well as train and do activities together. The focus will be on GS and SL fundamentals. The camps are geared for the athletes who will be U-14 and older next season (born in 2006 or earlier). Any parent that has questions regarding any of the camps, please contact the MBSEF office. Make sure your child is physically capable and mature enough to handle the camp life at Mt. Hood. If in doubt wait a year.
