

## **MBSEF FALL SKI CAMP**

### **NOVEMBER 19-25, 2020, MAMMOTH MOUNTAIN, CA**

We are putting together an on-snow training camp at Mammoth Mountain, CA for U-14 and older athletes. The focus is on GS and SL. Due to the COVID-19 pandemic we need to do it as a day camp scenario. Families will need to travel and lodge on their own. We realize that this is a hardship on each family but it is the only way to host the camp.

However, Mammoth ski area is offering an all-inclusive package (lift ticket, lodging, 3 meals, training fee, and wax room) with different lodging options. See below. If you stay at the Mammoth Mountain Inn you can walk to the lift. There will be public skiing, so for the parents there will be an opportunity to ski. For the parents, if you are not interested in skiing I'm sure that part of the package can be taken off. Mammoth Mountain is a very high elevation ski area which has substantial snow making capability. However, it will most likely be in early-season condition where it will not be fully open.

We will be on-snow Friday, Nov. 20 through Wednesday, Nov. 25. We will depart after lunch on Nov. 25 to be back that night, so we can be home on Thanksgiving Day.

Register online, deadline November 5.

DEPART: November 19 (9.5 hr drive) Check in at 4PM, Mammoth Mt. Inn

SKI/TRAIN: November 20-25 (6 days on snow)

RETURN: November 25, depart after lunch - home late.

PRICE: \$1,575.00

Adults/Parents are \$80.00 more (\$1,655.00 each). There will be public skiing, so parents will be able to get out on the slopes.

The price includes: Lodging, Lifts, Full meal plan, Training fee, Wax room, walk to lifts.

TRANSPORTATION: It is 7 hours of driving to Reno & 2.5 hours to Mammoth from there. Departing at 6AM, or sooner will get you there by 4PM. Training will start the morning of the 20<sup>th</sup>. We will need the texting number for the person in charge of each "POD" of athletes.

LODGING: The Mammoth Mountain Inn is the lodging for the all inclusive package. The lodging should be done through us to get the best price/packages. Families/groups can work together to combine resources for housing numbers.
