

Our annual fall Thanksgiving travel camp is once again at Silver Star Resort in BC. This is just outside of Vernon BC. Just go north on 97 all day and you're practically there. We'll leave MBSEF at 7am on November 19. Registration is open at mbsef.org. Click online registration.

FIRST OF ALL, CANADA REQUIRES A PASSPORT. YOU HAVE TIME FOR THE 30 DAY PROCESSING IF YOU START NOW. I think kids 15 and under only need an original birth certificate.

We will live in the same condos as the past couple years while training on the trails of Silver Star and Sovereign Lakes outside Vernon, BC. This gives us great terrain including a real World Cup course for training as well as tons and tons of other terrain of all types.

Cost is \$600 for MBSEF skiers. Last year it was \$575 but the Canadian dollar is up about 10%. You need food or money for dining while we travel and spending money while there.

We are staying at the Pinnacles which is the same location as the Methow Team. We have room right now for 18 skiers. Registration will cut off at that point.

We'll ski Monday through Saturday November 20-25. Early Sunday November 26 we will drive home.

We'll have food and we will all help cook and clean. If you would like to pre-make and freeze something that we'll take along, please do. It helps, especially on the first day. This price includes coaching, wax, transportation, lodging, trail fees, and food.

We'll have another great Thanksgiving dinner there that I'm sure will include some wayward friends and family. We did a pretty big extra shopping trip for the turkey dinner.

There will be 3-4 coaches along.
