Latitude 44 Sports' 2020 Nordic Gear Team Buy Program

Hi team skiers and coaches,

The team at Lat 44 Sports is excited to announce our debut Nordic team buy program for **Madshus, Atomic, KV+, and Rex Wax** Nordic ski gear!

We're thrilled to pass along some fantastic discounts to you (athletes and coaches only). Our team buy program is different than the traditional "buy night." Our program is solely pre-order based. To obtain discounts and assure availability, orders must be placed by October 9 and must be paid in full at time of your order. We'll notify you when your order has arrived at our shop for pick up.

To ensure that you select the proper gear, we encourage you to talk with your coaches and get their input on brands, level of gear, and sizing that's right for you. If interested, we can also connect you with our factory representatives for Madshus, KV+, Rex, and Atomic; they're super cool, friendly, and knowledgeable. Of course, we (the staff at Lat 44) are available for assistance, as well. Feel free to swing by our shop (in the Century Center, next to Goodlife Brewery) or call (541.639.4596). We're also happy to meet with you by appointment after business hours.

Our discounted price list follows. Separate, you'll find buying guides for further info. This is a one-time (once a year) deal that's made possible by Atomic, Madshus, KV+, and Rex Wax. So, a huge thanks to those companies. If you're looking for Fischer, Salomon, or Rossignol ski gear, please see our friends over at Webskis and Sunnyside Sports.

As a reminder, your order deadline October 9. However, to ensure availability, it's a good idea to submit your pre-order ASAP. We're anticipating shortages.

Sincerely,

Pat and Rob
