

2020 WebSkis Junior Buy Program

Thru October 31

WebCyclery/WebSkis is offering special team discounts on all hard goods and softgoods during the month of October. Due to Covid, this is going to be a very different season. Unfortunately, ski companies are already warning us that they will run out of inventory very early, so we will unlikely be able to restock our supplies, and if we don't have a ski in a specific flex or boot in stock, we may not be able to get it this year. So we are encouraging everyone to shop early, as our selection will be best in October. We are offering team members 30% off of MSRP for skis, boots, bindings, poles, and accessories through the end of the month. After October 31st, MBSEF, BEA, and Highschool teams & coaches will still be able to save 15% on softgoods, nutrition, waxes, and poles.

In order to keep our staff and our customers safe during this global pandemic, we are limiting our physical interaction with customers. We will have 2 boot fitting stations where customers can sit down and try on boots. For skis, all we need is a little information about the athlete, and we can use our flex testing equipment to choose the best ski possible. We are no longer requiring people to leave boots for other athletes to try on, as we probably won't be able to order more anyway. So again, the sooner you can come in, the better the selection will be. As of October 1, we have received most of our Fischer and Salomon orders, but are still waiting on boots from Alpina and Madshus. We are expecting them very soon.

Because we only have the 2 fitting stations, and people's schedules are surely different due to online school, we will be taking **appointments** for boot fitting. Appointments will typically be limited to 30 minutes. If you feel like you might be a little more finicky or have extra needs, please ask us for an hour slot. We are open Mon-Sat 10AM-5PM. If you don't have an appointment (and others do), you might have to wait 30-60 minutes or more to try on boots. You can call to make an appointment - 541.318.6188

Masks are required in our store. We will be requiring customers to use hand sanitizer before trying on boots or clothing. We will not be offering try-on socks. Please bring your own or expect to purchase socks if you want to try on boots. Also, to limit exposure, we will not be allowing customers to try on sunglasses in the shop. Of course, returns are welcome, so you can buy with confidence.

Regarding pole length, we typically cut skate poles so that the top of the strap is at the chin crease (just below your lip) when the athlete is barefoot, and classic poles to 83% off the skier's height (in boots). Please confirm with your coaches if that is what they recommend for you. Let us know if you require something different, as once a pole is cut, we can't make it longer.

Prices are **only good thru 10/31/20**. Purchase must be **paid in full** at time of ordering. Out-of-stock items won't be guaranteed, but we will try to order them. We will notify customers when their items are ready for pick-up. Pole Prices include pole cutting. Binding installation is included when both skis and bindings are purchased. Otherwise binding install is \$10. Offer is for athletes and coaches only. **Please keep pricing confidential**. 15% Restocking fee on special orders (items we don't normally stock). Not responsible for typos.

SKIS

SALOMON

S-Lab Carbon Skate/Classic/Zero MSRP \$820 **sale \$574**

S-Race Skate MSRP \$700 **sale \$490**

S-Race Classic/Skin MSRP \$730 **sale \$511**
