

Mini World Cup November Camp
Sun Peaks, British Columbia
November 20th-25th, 2022

For the first time this fall, MBSEF is excited to offer an additional, optional pre-season camp opportunity for our Mini World Cup athletes.

This year's camp will take place in Sun Peaks, British Columbia, in conjunction with the Winter Term camp for our older skiers. Mini World Cup athletes will have the opportunity to participate in directed free skiing with coaches, and also spend time in gates doing race-specific activities and drills.

The Nancy Greene International Race Centre in Sun Peaks is an internationally renowned facility boasting consistent and dependable conditions, unrivaled grooming, and a dedicated chairlift, providing the very best training ground for some of the world's finest race teams. Our team is excited to be returning to the facility for the second year in a row and to be able to extend this training opportunity to our MWC athletes.

The cost for the Mini World Cup camp is \$850. This includes lift tickets, hill space fees, coaching, and some possible off-snow activities, depending on facilities available.
