

## 2024-2025 Nordic Stevenson Youth Program Ages 7-11, Grades 2,3,4,5

The Stevenson Youth Program (SYP) is designed to foster a lifelong appreciation for the sport of Nordic skiing, a love for the outdoors, and a basic understanding of our amazing winter environment. In the SYP skiers in 2nd through 5th grade, (ages 7-11) can participate in 10 sessions that include Saturday, Sunday, Tuesday or Wednesday options at the Mt. Bachelor Nordic Center. Multiple sessions are also available (2-days only). Our sessions are comprised of progressive, age appropriate activities that will develop their XC skiing skills, improve fitness, develop environmental awareness, and a love for the outdoors with the main objective of learning while having fun.

SYP participants will ski in small groups based on age, focus and ability. They will have opportunities for playing group games, embarking on trail adventures, learning how to take care of their equipment and dressing appropriately for winter weather. There will also be options to join some fun local races.

**Daily Schedule:** All sessions meet at the Mt. Bachelor Nordic Center. Saturday and Sunday 9:00am - 10:30am. Tues. 3:30-4:45 (will adjust time to 3:30-5:00 as longer daylight allows), and Wednesday, 2:30-4:00

**Enrollment Options:** 10 weeks for everyone plus a 3- day Winter Camp. Multiple weekly session signups are available.

**Flexible Classic and Skating Sessions:** It is critical that these young skiers have successful skiing experiences, and at times the weather in the Cascades can make that a challenge. To accomplish this, MBSEF will announce the schedule of classic and skating sessions by email (based on weather reports, grooming, etc.) a few days before each weekend. There does come a point where skiers need to learn to ski in all conditions, but at this age our number one goal is help the skiers find success and have fun.
